Sabre

SabreSeal SG

Mildew resistant (anti-fungal). Formulated specifically for sanitary-grade applications. It will bond to form a durable, flexible, waterproof seal on most common wet area building materials. Clear.

ZB333C - 48302220

SabreSeal SG

Mildew resistant (anti-fungal). Formulated specifically for sanitary-grade applications. It will bond to form a durable, flexible, waterproof seal on most common wet area building materials. White.

ZB333W - 48302170

SabreSeal NC

Neutral cure silicone sealant that adheres to a wide range of both porous and non-porous surfaces without the need for priming. Black.

ZB333BK - 48302230

SabreSeal NC

Neutral cure silicone sealant that adheres to a wide range of both porous and non-porous surfaces without the need for priming. Transparent.

ZB333T - 48302200

SabreSeal CR

High-quality neutral, elastic, one component silicone based joint sealant. Developed for sealing applications in critical surroundings (hospitals, laboratories, pharmaceutical industry) and in food safe applications. Titania.

ZB6ST - 48302180

SabreSeal MS

A durable elastic hybrid sealant for use in high movement joints (+/-25%) in building construction and manufacturing industries. Specially formulated for high UV resistance and long-term performance on porous and non-porous substrates. White.

ZBMSW - 48302190

SabreSeal GP

All purpose water-based acrylic sealant formulated for sealing and flexible filling of low movement joints both indoors and outdoors. It has high flexibility and is paintable. White.

ZBGF - 48302250

SabreSeal HT

100% Silicone Sealant formulated for heavy-duty applications. It makes reliable 'formed-in-place' gaskets that resist cracking, shrinkage and migration caused by thermal cycling. Clear.

WATCHMAN

NEW

Building Code Changes

Residential Building Code Changes: From November 2023, with a 12-month transition period, the building code acceptable solutions for protection from fire is changing. The changes include; all alarms must be either 10 year battery or mains powered, all alarms must interconnect with each other (wirelessly or wired), an alarm needs to be installed in all bedrooms, living spaces, hallways and landings within the building.

Watchman alarm features:

- RF technology
- Built-in 3V 10 year lithium battery
- Large test and hush button
- Wireless remote controller compatible
- AS3786:2014 certified

NEW

Megger MFT-X1 Multifunction Electrical Installation Tester

MFT-X1 is the first of a new generation of firmware upgradeable, full functionality multi-function testers for low voltage electrical installations

- True loop™ test with patented confidence meter™
- CertSuite™ compatible bluetooth® result transfer
- Next generation 2-wire and 3-wire non-trip loop testing
- High resolution 0.001Ω loop test
- Configurable RCD and EV auto-sequence tests
- IP54 operational housing

MFT-X1 - 47160330

NEW

Megger EVCA210-AU EV Charge-point Adaptor

The Megger EVCA210 are compact, simple to use adaptors designed to perform all the functions required by the electrical contractor to fully test mode 3 AC Electric Vehicle Charge-points. The adaptors are designed to simulate the connection of an electrical vehicle to the charging point under test:

- Type 2 charging plug for charging points with panel mounted socket outlet or fixed cable with vehicle connector
- Compatible with MFT1800 series, MFT-X1 and others

1015-141 - 47160450

Terms & Conditions: 1) We (J.A. Russell Ltd and Radcliffe Electrical) publish @Source as a communication to Trade Customers holding an account with J.A. Russell Ltd or Radcliffe Electrical. We recommend the use of a registered electrician for the installation of all electrical products. 2) Prices displayed in this edition of @Source are valid from 1 October 2023 to 30 November 2023 and while stock lasts. 3) Prices displayed in @Source do

not include GST. 4) J.A. Russell Ltd's standard terms & conditions of sale apply to the sale & purchase of any item contained in @Source. 5) These standard terms and conditions of sale can be viewed at jarussell.co.nz/about-us/terms-and-conditions. 6) Items contained in @Source are offered for sale and purchase for business purposes & customers who purchase are deemed to have agreed that the terms of the Consumer Guarantees

Act 1993 does not apply to such purchases. 7) Any tax liabilities relating to the receiving of any prizes, gift cards or free products through promotional purchases are the responsibility of the account holder. 8) No returns on promotional packages that contain prizes or giveaways. 9) Some branches may not stock all products in @Source but they can be ordered in on request. 10) Freight will be extra on some items. 11) While J.A. Russell Ltd

endeavours to deliver all prizes at the date specified, extra time may be required due to unforeseen circumstances that may arise from time to time. 12) While every effort is made to ensure that pricing and displayed information contained within this publication is correct, J.A. Russell Ltd or Radcliffe Electrical reserve the right to correct pricing and displayed information where an error has occurred.
