DENON HOME 150

Play All Your Music Wirelessly

The new Denon Home 150 plays all your music wirelessly with the great sound you expect from Denon. Group other products with HEOS Built-in, such as AV receivers, sound bars, and speakers to fill your whole home with music.

HIGHLIGHTS

YOUR BENEFITS

Amazing audio quality built on 110 years of innovation

Founded in 1910, Denon enables the moments that matter through the relentless pursuit of quality, innovation and audio performance

Clear highs and deep lows

Engineered with a dynamic 1" tweeter and a robust 3½" mid-bass driver, enjoy precise and accurate Denon sound for all your entertainment needs

Internet Radio and music streaming

Enjoy Spotify, Apple Music, Amazon Music HD, Pandora, TIDAL, TuneIn, iHeartRadio, Sirius XM, Deezer and more via Wi-Fi, AirPlay 2 or Bluetooth connection

Apple AirPlay 2 certified

Use AirPlay 2 to stream Apple music wirelessly to your Denon Home 150, or group with other AirPlay compatible speakers to fill your entire home with music

Hi-Res audio playback

Denon Home 150 allows for gapless playback of high-resolution files including 192kHz/24-bit FLAC, WAV, ALAC and DSD 2.8/5.6MHz via Network or rear USB port

Play from local sources

Easily access your music via Bluetooth, USB and network shares

Easy Setup

Use the free HEOS app to effortlessly set up the Denon Home 150 on your home Wi-Fi network

Quick Selects Buttons with proximity sensors

Store your three favorite internet radio stations to enjoy when you want, without the hassle of searching

Your home, your music

Either listen to the same song throughout your home, or play a different one in every room, to enjoy wireless whole-home audio for every occasion

Wireless whole-home audio

Group other devices (AV receivers, sound bars and speakers) with HEOS Built-in to play the same or different audio content in multiple rooms, wirelessly

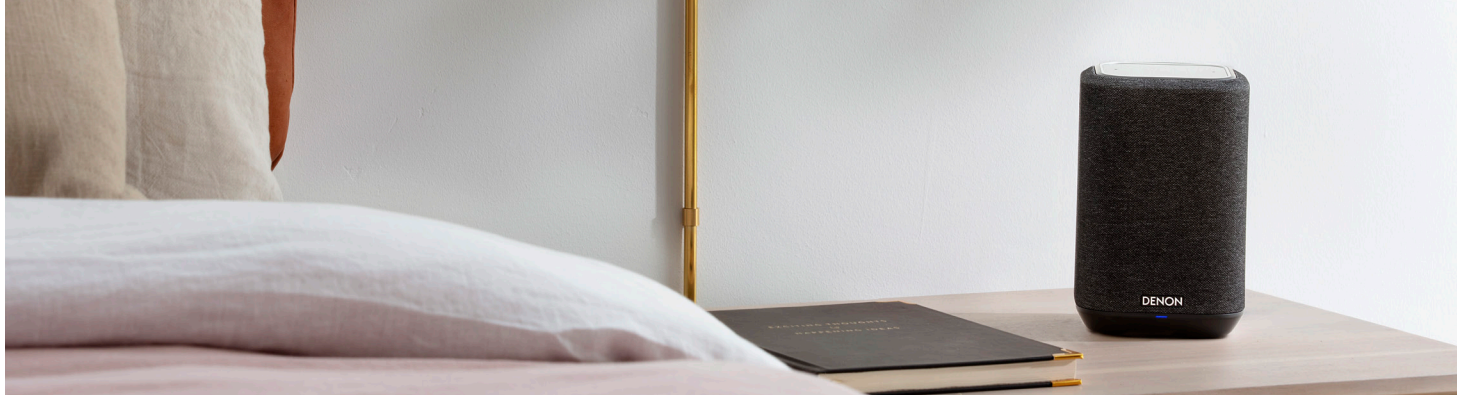

Works with Amazon Alexa

Simply download the HEOS Home Entertainment skill from the Amazon Alexa app and enjoy easy voice control from any Echo device (sold separately)

Download the free HEOS app

The free HEOS app is available in iOS and Android stores

Wireless Whole-Home Audio

Play your favorite music wirelessly throughout your home for a seamless, multi-room listening experience.

Denon Sound Quality

With advanced acoustic hardware, expertly tuned DSP and premium full-range drivers, the Denon Home 150 delivers amazing, room-filling sound from a compact design.

Your Favorite Music, at Your Command

Stream your favorite music from Spotify, Apple Music, Amazon Music HD, Pandora, TIDAL, TuneIn, iHeartRadio, Sirius XM, Deezer and more via Wi-Fi, AirPlay 2 and Bluetooth.

Hi-Res Audio, Without the Hi-Fi System

Enjoy music with superior detail and precision. With HEOS Built-in, the Denon Home 150 supports ALAC, FLAC and WAV files up to 192kHz/24-bit, as well as DSD 2.8MHz and 5.6MHz tracks.

3 Quick Selects to Store Your Favorite Stations

With 3 quick select buttons, easily store your favorite internet radio stations to enjoy when you want without the hassle of searching or looking for your smart device to change.

Apple AirPlay 2

Use AirPlay 2 to stream Apple Music wirelessly to the Denon Home 150, or group with other AirPlay 2 compatible speakers to fill your home with music.

Works with Amazon Alexa

Control the Denon Home 150 hands-free with Amazon Alexa and your voice. Adjust the volume, skip to the next track, and more – “Just Ask.” Download the free HEOS Home Entertainment Skill to enable Amazon Alexa voice commands. Requires Amazon Alexa app and Amazon Echo, Dot or equivalent (sold separately).

Works with Google Assistant

Ask your Google Assistant speaker or phone to stream your favorite songs. Control volume, play, pause, skip tracks and more.

HEOS Built-in Multi-Room Experience

With HEOS Built-in, play the same song in every room or select a different song for each connected room – the choice is yours. With additional Denon Home speakers, sound bars, network players or AV receivers with HEOS Built-in, easily play all your music in multiple rooms from your favorite music service or source.

Simple Wireless Setup for Quick Enjoyment

Use the HEOS app to effortlessly set up the Denon Home 150 on your Wi-Fi network.

Your Music at Your Fingertips

Play music from your library with the additional USB port. Connect to enjoy MP3, WAV, AAC and WMA files, and Hi-Res files like FLAC and ALAC (192kHz/24-bit), as well as DSD 2.8MHz and 5.6MHz tracks.

Stereo Pairing Capable

Listen in true stereo. Using the HEOS app, group two Denon Home 150 speakers and designate them as a stereo pair, such that one plays the left channel and the other plays the right channel. Denon Home 150 speakers work as left and right speakers to provide a Hi-Fi quality system in a much smaller footprint.

Use as Rear Surrounds with Denon DHT-S716H

Connect the Denon Home 150 with your DHT-S716H sound bar and DSW-1H subwoofer to create up to a 5.1 home theater setup.

Proximity Sensing Capacitive Button Controls

With new proximity sensing capacitive buttons, experience the high-end interface as your hand approaches the top control panel. The capacitive buttons light up for you to touch, allowing for full, seamless control of the Denon Home 150.

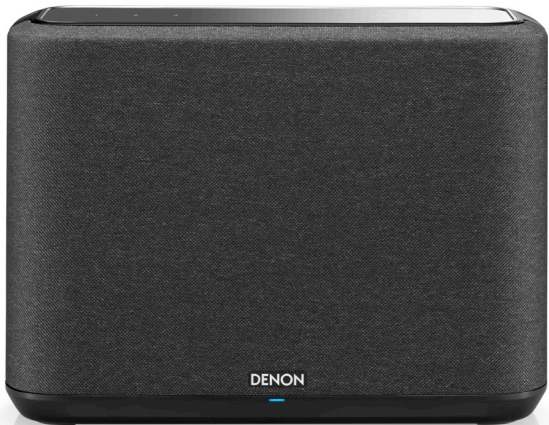

Amazing Sound Built on 110 Years of Innovation

As Japan's first audio electronics manufacturer with a deep legacy of firsts – Denon is the defining audio company of Japan. Founded in 1910, we enable the moments that matter through the relentless pursuit of quality, innovation and audio performance. We innovate for a better experience.
