Rechargeable batteries deliver long-lasting power with USB-C fast charging, safety protection circuits, and alkaline compatible voltage for reliable, eco-friendly performance.

COMPLETE PROFESSIONAL KIT WITH FULL LINE OF ACCESSORIES

Advanced Circuit Tracer
Easily trace energised and non energised breakers, fuses and wires.
Kit includes:
• ET450AU Transmitter
• ET450AU Receiver
• Blade & Ground Prongs
• Alligator Clips
• 09.m Lead Adaptor*
• 6m Lead Adaptor*
• Plug Leads
• 10x AA Batteries
• Hard Carrying Case with Handle
*Lead adaptors can all be connected end-to-end for additional length
A-ET450AU - 46880780

[CLICK HERE FOR A-ET450AU SPECS](#)

Wattmaster 3.6V Cordless Screwdriver
Electric & manual function, torque (E) max: 2N.m, torque (M) max: 10N.m, rechargeable USB Li-ion battery.
WATH300Q4 - 96820000

Wattmaster Glow Rod Kit 10m
Rods can be easily threaded together, glow in the dark and lightweight, recharge by exposing to an ultraviolet source like sunlight, tensile strength on connectors is >2000N (200kg force).
SRS-GR10 - 90670040

Dual Range Non-Contact Voltage Tester with Torch
Dual modes indicates low voltage (12 to 70V AC) and standard voltage (70 to 1000V AC) allowing broad application. Detects voltage with simultaneous visual and audible voltage indicators. Green light indicates no voltage.
A-NCVT-3P - 49360045

[CLICK HERE FOR A-ET300AU SPECS](#)

DIGITAL CIRCUIT BREAKER FINDER

Digital Circuit Breaker Finder
• Quickly, accurately, and automatically find the corresponding circuit breaker of any standard 230V and 240V outlet
• For use on powered circuits only
• Does not require interruption of service
• Bright green arrow and loud beep provide clear indication of correct breaker
• Strong transmitter reaches distances of up to 305 metres (1,000 ft.)
• Auto power-off feature extends battery life
A-ET300AU - 46880740

HALCYON

TRADE FLEX PRO

NEW RANGE

No Wastage. No Worries.

TFP Linear Strip features a 'free-cut' design and can be cut anywhere along the PCB. That means no inconvenient cut increments and no compromise on installation lengths, just precise trimming on site with minimal waste.

Effortless Installation

All kits include quick-connect feed connectors, joiners, L connectors, and feed cable, providing everything required for rapid on-site installation. Professionally soldered custom lengths, feeds, and joins are available on request.

Reliable, Flexible and Professional

Available in 5W, 10W, and 15W per metre options, the range combines high efficiency, dense diode spacings, excellent CRI90 colour consistency and long term reliability. The IP65 Nano coating creates a hydrophobic surface that resists water, oils, and dust complete with high-bond 3M adhesive backing as standard. Great for interior commercial, residential, and custom architectural applications.

EXCEL LIFE

GLOSS

Enhance your home or office with the Excel Life Dedicated Plate Double Powerpoint. The product prioritises safety with raised insulated barriers on the terminals that prevent unintentional contact with live wires. Installation is simplified with elongated oblong mounting holes that improve levelling, guaranteeing a secure installation.

The Excel Life Dedicated Plate Series Switches are tough and reliable for both residential and commercial. Each dedicated plate includes rocker switches specifically crafted to withstand wear and tear, featuring a 16A/16AX and M100 rating.

SmartVent Positive3 is a centralised positive pressure system that monitors temperature and humidity conditions in your home, roof cavity, and at the outside source, to ensure that your home is kept dry, and your air is fresh. Two wireless temperature and humidity sensors means sensors can be placed in the optimum locations and not limited by cabling.

As a temperature and humidity based solution, the SmartVent

Positive3 uses dew point control to increase or decrease airflow to combat the moisture within a home.

Key features; energy efficient brushless EC fans, acoustic and thermally insulated ducting, low temperature protection and App control (SmartLife). The flexible upgrade options allow users to customise the system to suit their individual needs.

SmartVent Positive3 2 Room System
