WATCHMAN

Residential Building Code Changes: From November 2023, with a 12-month transition period, the building code acceptable solutions for protection from fire is changing. The changes include; all alarms must be either 10 year battery or mains powered, all alarms must interconnect with each other (wirelessly or wired), an alarm needs to be installed in all bedrooms, living spaces, hallways and landings within the building.

BUILDING CODE CHANGES

Watchman alarm features:

- RF technology
- Built-in 3V 10 year lithium battery
- Large test and hush button
- Wireless remote controller compatible
- AS3786:2014 certified
