The SmartVent Lite+ is a basic continuous home ventilation system designed to protect your property. Continuous filtered ventilation ensures that quality air is always circulating, fighting condensation and mould by keeping the property dry. The Lite+ features cost effective nude ducting, two sensors, and a rental lock. Incompatible with the range of SmartVent seasonal and comfort add-ons.

Best for:
Landlords or property managers wanting an affordable solution to protect their investment properties from moisture buildup.

ZAPPI 2.0

The ultra smart zappi EV charger from myenergi.
One charger for any property, at one lower price.

With selectable power settings of 7kW, 11kW and 22kW, the one charger adapts to any single or three-phase electrical set up, delivering efficient, high-speed charging tailored to any home.

Aligned with myenergi’s commitment to sustainability, the zappi 2.0 allows for 100% green energy charging with solar compatibility, as well as a simple, user-friendly design and partner app. Whether for residential or commercial use, zappi has intelligent functionality, compatible with any solar, battery and home. A future-ready charging solution empowering people to charge smarter, cleaner, and faster.
