LED DOWNLIGHTS

Ambius downlights have been crafted for New Zealand homes. We have worked to create products that are compliant and reliable while still delivering exceptional performance.

TECHNICAL SPECIFICATIONS
Ambius Downlights come complete with all documents. These downlights are high quality IC-F fittings. They can be installed in timber ceilings and come into contact with building materials.

DRIVER UNDER INSULATION
Ambius LED Drivers comply with safety standards for operation under insulation (refer Instruction Manual).

SAFETY
These Ambius Downlights are **CLASS III** Safety – Extra low voltage supply. This makes the product safe to handle even when powered on.

A product to suit almost every application - new builds, Retrofit, designer, task, ambience, SMART lights.

Looking for a different finish? Simply twist off the fascia and create a whole new look. Flat, Recessed, Square and Gimble profiles available. White and Satin Nickel finishes.

TWIST OFF

CONNECTION METHODS

All of our downlights come with large terminals and smart connections to make the installation quicker and safer.

PRE-WIRE

PRE-WIRE

TWIST LOCK
Allows pre-wiring of the LED driver - simply twist to connect and complete the install.

SMART PLUG
Allows pre-wiring of the terminal box - simply connect to complete the install.

REMOTE CONNECT

REMOTE CONNECT
Mains connection can be made away from the downlight body.

QUICK CONNECT

QUICK CONNECT

SCREWLESS TERMINALS

SCREWLESS TERMINALS
Simply press down on terminals, insert cable and release.

PREMIUM COLLECTION

This premium range includes some of our best features, high quality materials combined with exceptional performance to deliver amazing light.

RETRO

The Retrofit range is perfect for replacing older downlights, the 165mm fascia is a great solution for those extra large cut outs (up to 160mm) while still maintaining a seamless look.

*ADLEDAC12W165 model includes both fascias as standard

* ADLED12W144D is Fixed Fascia

Our 2018 range is all about High Definition, from 1080p through to 4K. We understand how important security is to everyday people. Our goal is to bring you the latest in Security Made Smarter. See your world in ultra HD!

2018 RANGE

Wire-Free 1080p HD

Swann, the world's leader in home security brings you a Wire-Free & rechargeable camera with 1080p HD video. The camera is 100% Wire free and runs on a rechargeable battery. The Smart Security Camera uses Swann's new True Detect™ heat-based thermal sensing PIR motion detection to reliably capture activity, with fewer false triggers – its security you can rely on. The Day/Night cameras have a built in microphone for added security.

The camera records to local memory for 7 days with 2 days cloud back-up or choose 30 days* cloud recording plan for complete peace of mind.

Terms & Conditions: 1) This publication is published as a communication to Trade Customers holding an account with J. A. Russell Ltd or Radcliffe Electrical. We recommend the use of a registered electrician for the installation of all electrical products. 2) Prices displayed in this issue are valid at the time of printing and may change. Please check at time of purchase. 3) Prices displayed in this publication do not include GST. 4) The standard terms and conditions of sale which apply to the sale and purchase of any item from J. A. Russell Ltd or Radcliffe Electrical, apply to the sale and purchase of any item contained in this publication. 5) In particular, any liability arising from defect or failure of goods sold is limited to the replacement of faulty goods which are promptly returned and does not extend to consequential loss of any kind. There is no liability on J. A. Russell Ltd or Radcliffe Electrical for any damage arising from misuse, accident, neglect or improper installation, maintenance or operation of goods sold. 6) Items contained in this publication are offered for sale and purchase for business purposes and customers who purchase are deemed to have agreed that the terms of the Consumer Guarantees Act 1993 does not apply to such purchases. 7) No returns on promotional packages which contain prizes or giveaways. 8) Some branches may not stock all products in this publication but they can be ordered in on request. 9) Freight will be extra on some items. 10) While every effort is made to ensure that pricing and displayed information contained within this publication is correct, J. A. Russell Ltd or Radcliffe Electrical reserve the right to correct pricing and displayed information where an error has occurred.
