

Goldair™
PLATINUM

**CERAMIC
TECHNOLOGY**

Wifi Enabled Heating

Combining modern design with innovative technology, Goldair has developed a range of fixed Smart Home heating products to make life just that little bit easier. All Goldair Smart products can be paired for free with the Goldair app and are Amazon Alexa and Google Home device compatible.

Use the Goldair app to set different modes and timer functions that are available on your device. You can also programme weekly schedules or set up favourites to get to your ideal temperature setting at just the click of a button.

Flexibility

Add unlimited Goldair devices to your app as often as you want

Energy Saving

Promotes energy efficiency by setting timers or schedulers on your devices

Safety First

Our app still maintains all Goldair's high safety standards for your peace of mind

EASY AS UPGRADE SYSTEM

1. Electrician wires and secures the mounting plate to the wall.

2. Line up mounting lugs on mounting plate with slots on heater.

3. Slide heater down onto the mounting lugs until the lock clip engages.

4. Heater is now ready for operation.
